You must enter your First name, last name, and Date of birth to login.

At this point, you will be sent a pin to whichever option you select. This pin is required to login and view your images. If either the email or the mobile is incorrect, please contact himdept@valleyhealth.com and the Valley Health staff will correct it. Please note you must go through this process each time you want to view your images (i.e., the pin you generate the first time you access the patient portal will not work on subsequent attempts to access the patient portal).

View Reports

Check a box or multiple boxes, followed by "Share". **More on the next page**.

Downloads include images, reports, and software for viewing images offline.

After you click "Share", as described on the previous page, this window will appear. "Message to recipient" is optional. Enter the email address of the person with whom you want to share your study. You are responsible for entering an accurate email address. Then click "Share Studies". The recipient will receive an email notification that you have shared your study with them. They must click the link in the email which will take them to our registration process. After they register, they can log in and view your study. **Note: If you share your study with someone, they will be able to share your study with others**.
