

Especially for You Cart

The Valley Hospital Auxiliary is recruiting members to volunteer at The Valley Hospital. This is an incredible opportunity to renew our service in the hospital while also promoting the VHA.

With the support of Kaitlyn Mocer, Director of Volunteer Resources, and Valley Dining, you can join in this worthwhile opportunity— your commitment can be for just one or two days or on a rotating monthly schedule.

- The cart brings cookies, coffee, tea, and other snacks to family members who are in waiting areas of the hospital or visiting on inpatient floors.
- Your contact provides a special way to lessen fears and anxiety.
- Two volunteers will operate this cart every Tuesday beginning around 9:45-11:30 a.m. for about 1½ hours.
- If you have any questions, please contact Charlotte Byrne at jfbyrne1@aol.com or 201-444-2397.

Start the cart rolling ...

- You will then be contacted by Mary McHugh of Volunteer Resources, who will provide you with the next steps.
