

Valley Medical Group (VMG) is seeking a full time, New Jersey Licensed, Board-Certified/Board-Eligible Psychiatrist to join its growing Division of Physical Medicine and Rehabilitation (PM&R). The Division currently comprises of one outpatient and one inpatient psychiatrist. The candidate will be seeing patients in the office based setting. Experience in one or more of the following - cancer rehabilitation, P&O, PRP, ultrasound guided injections, OMT and pelvic floor dysfunction is preferred but not required. No chronic pain, EMG or acute rehab unit coverage is required.

Ideal candidate will be someone who is hard working, flexible, team player, motivated with excellent communication, critical thinking, analytical, and relationship building skills looking to assist with program growth with a willingness for a broad scope of practice to meet the needs of VMG and community at large. This is a great opportunity for a physician to gain valuable work experience while enjoying the support from staff and colleagues, in a well-established and growing practice.

About The Valley Hospital and Valley Medical Group

The Valley Hospital and Valley Medical Group are part of Valley Health System, one of the largest and most honored healthcare providers in New Jersey. The Valley Hospital has received Magnet designation for nursing excellence since 2003, has consistently been recognized for patient safety, and has been ranked among the World's Best Hospitals by Newsweek. Located in Bergen County, New Jersey, The Valley Hospital is an acute-care, not-for-profit hospital with 431 licensed beds. A new Valley Hospital, currently under construction, is scheduled to open in Paramus, New Jersey, in 2023. Valley Medical Group (VMG) is a multispecialty group practice comprised of physicians and advanced practice providers representing more than 50 medical and surgical specialties. VMG brings together experts in the fields of oncology, cardiology, obstetrics & gynecology, and various medical and surgical specialties. VMG providers also offer the full scope of primary care, including internal medicine, family medicine, and pediatrics. Prestigious alliances with Cleveland Clinic's Heart, Vascular & Thoracic Institute and the Mount Sinai Health System mean our doctors are collaborating with the top physician leaders in medicine today. VMG believes the relationships among its doctors and providers are central to success. Our interest in your personal and professional goals, combined with our network of resources, creates an environment of close collaboration that helps to ensure the finest patient outcomes. If you're interested in a career in which your expertise and collaboration are paramount to the success of an organization, join us!
