<p>● As of July 1, 2019, Horizon BCBSNJ State Health Benefit Plan (SHBP) members are required to use in-network labs – LabCorp® or Quest – for blood tests and other lab services.</p> <p>● As of May 1, 2020, United Healthcare is no longer allowing hospitals to bill for reference labs or non-patient labs. Reference labs are specimens received from other referring laboratories or care providers. Non-patient labs are specimens submitted for testing to a hospital for a member who is neither an inpatient or an outpatient of a hospital.</p>
