

Rheumatology Hire

Valley Medical Group is seeking a Licensed, Board-Certified/Board-Eligible Rheumatologist to join its Rheumatology practice and participate in both outpatient and inpatient care areas at The Valley Hospital. The schedule consists of predominantly outpatient practice work with a rotating call schedule to cover the hospital. Ideal candidate will be someone who is hard working, flexible, team player with excellent communication, critical thinking, analytical, and relationship building skills who enjoys a non-academic, dynamic, community-based hospital and office setting. This is a great opportunity for a physician to gain valuable work experience while enjoying the support of colleagues in a well-established and respected practice. Candidates must have an MD or DO degree and be board-certified/board-eligible in Rheumatology. A valid New Jersey state license, DEA, and CDS is a must.

About The Valley Hospital and Valley Medical Group

The Valley Hospital, in Ridgewood, NJ, is proud to be the hospital of choice for hundreds of thousands of residents of northern New Jersey. Valley is an acute care, not-for-profit hospital with 431 licensed beds. In 2020, 41,345 individuals were admitted to Valley, 51,792 people were treated in the Emergency Department and 3,528 babies were born.

According to the most recent data available, The Valley Hospital has been ranked by NJBIZ as the fifth busiest hospital in the state based on total inpatient discharges. Valley's key services include cardiology, oncology, women's and children's services, emergency care, orthopedics and neurosciences.
