

## **Best Medicine Cart Wish List**

*The Best Medicine Cart is a patient-focused volunteer program founded on the premise that a sense of humor, a positive perspective and laughter are potent healing allies. The BMC volunteer cart makes bedside rounds bringing diversion, cheer and warmth to patients and their families. Patients may select and keep an item(s) of their choosing for their comfort.*

*The Best Medicine Cart does not charge for any item; private donations make it possible to restock these gifts. If you'd like to make a donation, please refer to the wish list below:*
