Join us for Valley Hospital’s Teddy Bear Clinic!

Bring Your Own Teddy Bear!

Saturday, April 26
10 a.m. – 2 p.m.

The Valley Hospital Terrace

Children between ages 3-8 years and Parents

Participants will learn through medical play and children’s crafts about what they might encounter at the doctor’s office or hospital. Attendees will also be able to tour an ambulance.

To Register, please email teddybearclinic@valleyhealth.com and include the number of children and parents attending, ages of children participating, and parent’s contact information.
